

September 2019

Dear Parent/Carer,

Now the new academic year term is underway, I would like to remind all parents/carers about an important safety matter.

If you travel by car to drop off your child in the morning, or collect him/her at the end of school, you will know that the roads around the academy are very congested before and after school. The busy roads are a major cause for concern for everyone at Castle Hall, and I would like to appeal to parents/carers to consider the following:

- Can you find and agree a safe place to park away from the roads immediately outside the academy?
- Could your child walk to and from school - perhaps with a group of friends?
- Could you arrange to car share?

Please note that we cannot allow parents/carers to drive into the school grounds at the end of the school day as this makes a difficult situation even more dangerous.

I am in the process of working with the local councillor and Kirklees to seek their support in improving the situation.

Please discuss this matter with your child. Your support with this matter is very much appreciated and vital to ensure everyone's safety.

Yours sincerely,

Mr P Brook
Headteacher
