

18 June 2020

Dear parents, carers & guardians of Year 6,

As your child is due to join us in September, it is important to recognise that at this time a lot of children receive their first mobile phone and have more access to the online world. Therefore at Castle Hall Academy we think it is important that both the child and you can navigate the online world safely.

As we are aware the online world can be a bit overwhelming at times but it is important we understand what our children are doing online so we can help make them safer. The Safer Schools App aims to help with this.

We are delighted to invite you to download our new Safer Schools App provided by our school insurance provider Zurich Municipal.

The App is designed to support and protect children by educating and empowering them both at school and at home. Through their/your log-in, your children and you will get access to information that is relevant to them and you will receive tips and advice on how to keep them safer online.

There is an app for both the child and parent to download to their individual device. Please follow the instructions on how to download and log on to the Safer Schools App.

***Make sure to enable push notifications to keep up-to-date with our tips, advice and guidance on how to make your children safer.***

...where hearts and minds connect

### Login to your App

1. Select your school **Castle Hall Academy** from the dropdown menu and click '**continue**'.
2. Enter the **four digit entry code** provided from the table below for your unique role.

User Role	Login Code
Pupil - Lower Secondary	3447
Parent/Carer - Secondary	7675

If you have any questions regarding the Safer Schools App please email the [office@castlehall.com](mailto:office@castlehall.com)
