Dear Parent/Carer

The domestic violence and abuse school notification project has been designed to provide confidential notification to schools on any incidents of domestic violence and abuse which occur within a child's household that might have an impact on a child whilst they are in school.

The project will ensure that a member of the Academy staff is trained to allow them to use the information that has been shared, in confidence, and ensure that the Academy is able to make provision for possible difficulties experienced by children, or their families, who have been involved in or witnessed a domestic violence or abuse incident.

We are keen to offer the best support possible to our students and we believe this is going to be extremely beneficial for all those involved.

If you would like further support or information about domestic violence and abuse please go to <http://www.kirklees.gov.uk/beta/domestic-abuse/index.aspx>

Yours sincerely
